EXPERIENCE

UNITED STATES COAST GUARD

Huntington, WV

Boatswain's Mate

09/2016 to 12/2020

- Contributed to boat operations by standing watch in lookout, helmsman and boatswain's mate positions.
- Trained and supervised personnel handling shipboard maintenance functions.
- Directed and coordinated crew members while loading or unloading cargo, steering vessels, operating engines and maintaining or repairing ship equipment.
- Utilized navigation resources to chart routes and maintain optimal course for vessel.
- Oversaw Boat operations during travel and kept watch for hazards.
- Performed various marine duties such as checking for oil spills and other pollutants around ports, harbors and beaches.
- Inspected equipment and completed basic repairs to maintain safety and efficiency of each trip.
- Certified coxswain for over 760 underway hours across over 200 missions
- Served as a Flood Punt operator for over 12 Hurricane and Flood deployments resulting in over 2000 lives assisted/saved.

UNITED STATES COAST GUARD

Oak Island, NC

Seaman

08/2015 to 06/2016

- Performed lookout and helmsman duties aboard ship.
- Maintained open communication with crane and other equipment operators to smoothly and efficiently transport loads.
- Coordinated structural and heavy lifts weighing up to 15,000 pounds with crane rigging equipment.
- Installed and utilized correct safety equipment at all times.
- Wrote daily vessel reports and updated logs, detailing any issues and remediation efforts.

- Maintained and organized ship's compartments for better efficiency and to easily obtain needed items, including search and rescue equipment.
- Stood as Boatswain's mate of the watch

COLLEGE HUNKS HAULING JUNK & MOVING

Norwood, MA

Team Lead

10/2014 to 05/2015

- Supervised team of 2 employees working with moving equipment, maintaining safety and cultivating productive atmosphere.
- Directed and led employees, supervising activities to drive productivity and efficiency.
- Protected furniture by disassembling easily damaged parts, detaching headboards from bed frames and securing loose or unstable components.
- Followed customer instructions about placement of items and special considerations for handling.
- Braced, padded and supported shipments to prevent shifting and damage.
- Planned and followed most direct route to save time and mileage on company trucks.

LOUIS PIZZERIA

Abington, MA

Cook

04/2013 to 04/2015

- Sanitized food preparation areas, grills and equipment to avoid cross-contamination from raw items.
- Modified standard recipes to account for ingredient issues or customer requests, including allergen concerns.
- Set up and performed initial prep work for food items such as soups, sauces and salads.
- Established and maintained open, collaborative relationships with kitchen team to maximize efficiency.
- Chopped, diced and sliced vegetables and fruit ahead of busy periods, including dinner rush.
- Coordinated average of 100 to 300 daily food orders, organizing timely deliveries to each table.
- Organized work schedules for a total of 6 employees.

SELF-EMPLOYED

Norwood, MA

Demolition Supervisor

04/2014 to 01/2015

- Helped maximize utilization of project personnel, equipment and materials by analyzing upcoming projects and forecasting needs.
- Identified safety hazards and risk to employees and corrected deficiencies before major problems occurred.
- Maintained crew safety under all types of weather and working conditions.
- Assessed and mitigated materials such as asbestos, mold, lead and silica dust known to cause environmental and health problems.
- Oversaw quality control to check completeness, accuracy and skill of completed work for myself and 15 employees.
- Completed a top to bottom complete demolition of a 5400 square foot Apartment.
- Maintained high standards of safety, productivity and quality for every job.
- Estimated materials and labor requirements to complete jobs within budgetary and timeline requirements.
